August 18, 2021

Good afternoon families,

I wanted to share the Indian River School mitigation procedures approved by the School Board on August 10, 2021. This is a follow up to Superintendent Isabelle's communication yesterday.

- Masks will be worn indoors for all students in grades 5-8. This plan will be revisited at the September 28th School Board meeting. Students will be offered frequent mask breaks outside during the day.
- Social distancing of 3 feet (or more) will be maintained in indoor settings including classroom and hallways.
- Students will be greeted by staff and screened as they enter the building each day.
- Students will have breakfast and lunch in their classrooms.
- Grade 5 and 6 students will remain in their homerooms and teachers will move to their classrooms for content area instruction.
- Grade 7 and 8 students will move classrooms in a controlled manner between periods.
- Students will remain with their cohort throughout the day unless specialized instruction is required.

Should you have any questions, please feel free to contact me. We are looking forward to a great school year and welcome students on August 30th.

Sincerely,

Tina Fleming
Interim Principal
